PREFACE

The Pension Regulations for the Air Force are divided into two parts as under:—

Part I—Containing regulations regulating the pensionary awards of personnel of the Air Force.

Part II—Containing regulations relating to delegation of powers and pension procedure affecting the personnel whose pensions are regulated by the regulations in Part I.

2. The regulations in this Part supersede the rules in Air Force Instruction 166/43 as amended from time to time and have been issued under the authority of the Government of India.

3. Except as otherwise provided in these Regulations or elsewhere, the regulations contained in this Part apply to personnel governed by the New Pension Code. Those who are not so governed or for whom no provision is made in these Regulations will continue to be governed by Pay and Allowances Regulations for the Air Force in India (1942) and Air Force Instructions 21/42, 92/42 and 166/43 as amended from time to time and other orders supplementary thereto.

4. No deviation from the regulations in this Part is permissible without the prior sanction of the Government of India.

5. Permanent orders of only general application have been incorporated in these Regulations. Sanctions having a purely transitory interest have, however, not been included, and where such sanctions are at variance with these Regulations, the sanctions should be viewed as operative for only so long as they remain in force.

6. The disposal of the rules in Air Force Instruction 166/43 as amended from time to time and authority for each regulation in these Regulations is shown in two explanatory memoranda at the end of this Part.

O. PULLA REDDI,

NEW DELHI;

CHAPTER III—ANTICIPATORY PENSIONS, ADVANCES OF PENSIONS, PROVISIONAL PAYMENT OF FAMILY GRATUITY AND PENDING ENQUIRY AWARDS

SECTION I—ANTICIPATORY PENSION AND PROVISIONAL PAYMENT OF FAMILY GRATUITY

Sub-Section I—Anticipatory Pensions

Anticipatory pensions

26. (a) Subject to the provisions of clause (c) below, when delay is anticipated in reporting on the claim to pension of a commissioned officer or in the final sanction of a pension to an airman, the Controller of Defence Accounts (Pensions) may, upon a declaration as follows by the individuals concerned, sanction the immediate disbursement of the retiring/service pension to which, after the most careful summary investigation that he can make without delay, he believes the individuals to be entitled :—

Declaration—

“Whereas the Controller of Defence Accounts (Pensions) has consented, provisionally to advance to me the sum of Rs. a year/ p.m. in anticipation of the completion of the enquiries necessary to enable the pension sanctioning authority to fix the amount of my pension, I hereby acknowledge that, in accepting this advance, I fully understand that my pension is subject to revision on the completion of the necessary enquiries, and I promise to raise no objection to such revision on the ground that the provisional pension paid to me exceeds the pension to which I may be eventually found entitled. I further promise to repay any amount advanced to me in excess of the pension to which I may be eventually found entitled.”

NOTE.—In the case of Gorkha personnel below officer's rank domiciled/residing in Nepal, the anticipatory pension will be sanctioned without prior production of the declaration. However, the pension disbursing officer will invariably obtain this declaration from the pensioner before making first payment of anticipatory pension and forward it to the Controller of Defence Accounts (Pensions).

(b) If, upon the completion of the necessary investigation, it be found that the pension thus summarily assigned differs from the pension finally settled, the difference shall be adjusted in the first subsequent payment.

(c) No anticipatory pension shall, however, be sanctioned to an individual when intimation is received that he was involved, whilst in service, in a loss or irregularity relating to public funds, which is under investigation.

27.

Sub-Section II—Procedure for speedy payment of family gratuity and finalisation of family pension claims in cases of deaths due to flying accidents or parachute jumping

Speedy payment of family gratuity and finalisation of family pension claims

28. The procedure in this sub-section is intended to ensure speedy payment of family gratuity and finalisation of family pension claims in cases of death of air force personnel including auxiliary air force personnel due to flying accidents or parachute jumping. The highest priority will be given to the completion of proceedings of the court of inquiry, which have a vital bearing on the finalisation of the pensionary awards in this type of case. It will be ensured that no delay occurs at any stage in forwarding the proceedings with the necessary remarks to the government through the prescribed channels. Claimants will be assisted in filling up the details in the prescribed pensionary forms: The officers of the recruiting organisation will take action personally to reduce to the minimum the time necessary for the verification of the details of the claims by the civil authorities.

The detailed procedure to be followed in regard to initial action and reporting progress in the finalisation of the claim is laid down in Appendix II.

Provisional payment of family gratuity

29. (a) The competent authority may pay an amount equivalent to 75 per cent of the family gratuity *vide* regulations 93 and 206 of Part I of these Regulations (subject to eventual adjustment against the family pensionary awards) immediately on receipt of the prescribed report accompanied by the relevant documents, to the widow of an officer or to the family of an airman who is killed while on flying duty in a service aircraft or while being carried on duty in a service aircraft under proper authority.

(b) The provisional payment of family gratuity will be adjusted in accordance with regulation 32.

(c) The gratuity shall be calculated with reference to the paid acting rank held in respect of casualties on or before 31st May 1963, or if no such rank was held with reference to the substantive rank of the deceased individual *vide* regulation 82 and regulation 199 and notes thereunder of Part I of these Regulations.

Competent authority

30. The competent authority for the purpose of regulation 29 will be the Controller of Defence Accounts (Air Force) where the deceased individual was an officer, and Officer Commanding, unit concerned in other cases.

(a) If application for pension is made within six months of the officer's death, full arrears shall be paid.

(b) If failure to apply for pension within six months of the officer's death is, in the opinion of the pension sanctioning authority, due to satisfactory cause (e.g., serious illness of the widow), payment of arrears prior to the date of application shall ordinarily be limited to a period of six months.

(c) If a widow is unable to furnish a statement or a reasonable estimate of her income in cases where such a statement is necessary, within six months of her husband's death but completes and submits her application for pension within that period, full arrears shall be paid, if subsequently found eligible for pension.

This intimation shall constitute administrative sanction to the commutation of pension, but shall lapse if the medical examination does not take place within the period prescribed in the sanctioning order. In cases where difficulty may arise in the assembly of a civil medical board, the Chief of the Air Staff may, at his option, convene a suitable services medical board for the purpose.

The pensioner shall at the same time be informed of the date on which he should present himself for examination by a medical board, which in no case, shall be earlier than the actual date of retirement. He shall have the option of withdrawing his application at any time before the date fixed for his medical board.

Regulation 114

“Commutation of anticipatory/provisional pension-Officers.

114. An applicant for commutation of his pension, who has clearly indicated his intention to commute the maximum amount of his pension or expressed the amount proposed to be commuted as a fraction or percentage of the full and final pension within the maximum permissible limit, and is allowed to commute such fraction or percentage of the anticipatory or the provisional pension, shall neither be required to apply afresh nor to produce a fresh certificate of medical examination for commutation of the difference between the fraction or percentage of the final pension and the anticipatory or provisional pension. As the Commutation in such cases is payable in two instalments, one out of the anticipatory or the provisional pension and the other after final assessment of pension, the report from the Controller of Defence Accounts (Pensions), will have to be called for twice. A fresh sanction of the competent authority for the

difference of the commuted value, i.e. the maximum value accrued minus value received provisionally shall be necessary. In such cases, commutation as finally sanctioned will also take effect from the date of the original commutation of the anticipatory or provisional pension and the amount of residual pension will also be re-adjusted from the same date.”

[Corrigendum No. 94274/AG/PS4(c)/288/D (Pensions/Services), dt. 12th Jan. 1962].

(d) If the pensioner dies on or after the day on which commutation became absolute, but before receiving the commutation value, this value shall be paid to his heirs.

Reopening of rejected applications for commutation and payment of fees for the medical examination by a second medical board

112. (a) A pensioner whose application to commute a portion of his pension has been rejected on the recommendation of a medical board, or who has once declined to accept commutation on the basis of an addition of years to his actual age recommended by a medical board, may, if he appeals for the revision of the original finding, be permitted to appear for one re-examination by a medical board, provided that a period of not less than one year has elapsed since the date on which he was examined by the first medical board. In such cases the procedure outlined in clause (a) of regulation 109 shall be followed irrespective of whether the re-examination is conducted by a civil or a services medical board, except that when the examination is conducted by the services medical board, the government share of the fee i.e., Rs. 4, shall be credited as receipt of the Defence Services and the receipt together with the medical certificate shall be forwarded to the Controller of Defence Accounts (Pensions).

(b) If in the opinion of the medical authority prescribed in clause (a) some special examination is necessary which it is not in a position to carry out itself, it may require the pensioner to undergo such examination at his expense. No refund of such expenditure shall be given by government irrespective of the result of the examination.

Recovery of public claims from the commuted value

113. Before the capitalised sum is paid, the CDA (Pensions) shall ascertain whether any public claim is outstanding against the applicant and deduct the amount of any such claim from the lump sum which would, but for the claim, be payable to him.

Commutation of anticipatory/provisional pension

114. A pensioner, who applies for the commutation of a portion of his pension and such portion is expressed as a percentage or fraction of the total pension admissible to him and is allowed in the first instance to commute such percentage or fraction of his anticipatory or provisional pension will, in the event of his final pension being more than his anticipatory/provisional pension be allowed to commute a further sum without appearing before a fresh medical board, so as to make the commuted amount equal to the specified percentage or fraction of the amount of pension as finally sanctioned. FORM OF DECLARATION

(To be completed by the applicant in receipt of anticipatory pension)

Whereas the CDA (Pensions), Allahabad has consented provisionally to advance to me the sum of Rs.....being the commuted value of a portion of the anticipatory pension in anticipation of the completion of the enquiries necessary to enable him to fix the amount of my pension and consequently the part of pension that may be commuted. I hereby acknowledge that in accepting the advance, I fully understand that the commuted value now paid to me is subject to revision on the completion of the necessary formal enquiries and I promise to have no objection to such revision on the ground that the provisional amount now to be paid to me as the commuted value of the part of anticipatory pension exceeds the amount to which I may be eventually found entitled. I further promise to repay either in cash or by deduction from subsequent payments of pension any amount advanced to me in excess of the amount to which I may be eventually found entitled.

Conditions under which a portion of an anticipatory pension can be commuted by the pensioner :

- (a) Half of the anticipatory pension may be commuted.
- (b) If the medical authority reports on examination that the applicant has an average duration of life, the commutation will become absolute from the date of medical examination *i.e.*, the anticipatory pension will be reduced with effect from that date and he will be entitled to receive only the balance of reduced pension after commutation.
- (c) If the medical authority reports on examination that the applicant's age for the purpose of commutation is to be assumed to be greater than his actual age, he will have the option of withdrawing his application for commutation, by written notice despatched to the CDA(P), Allahabad (by registered post) at any time within two weeks from the date on which he is informed of the findings of the medical examination. If no such application is received on writing from him within two weeks, it will be assumed that the applicant accepts the revised capital sum offered as shown in Form 'B' which will be supplied to him at the time the medical examination is arranged for. The commutation will then automatically becomes absolute from the date on which the medical authority signs report. The applicant will be entitled from that date only to receive the balance of the anticipatory pension remaining after commutation.
- (d) If in assessing his final pension it is found that the commuted portion of the applicant's anticipatory pension exceeds the limits of the final pension he will be allowed to commute only to that extent and the capitalised sum payable will be altered accordingly.

I agree to the conditions specified above.
